

Charlotte Mecklenburg Library

# NEW HOURS

## STARTING JULY 6, 2010

Additional funding cuts from Mecklenburg County have greatly impacted the library. Contributions from the City and towns mean that we will be able to keep 20 locations open this year, but hours must be reduced.

Taking into account the ideas and concerns we heard from the public, we have done our best to develop a staggered schedule that preserves Saturday hours, allows Regional libraries to be open later in the evenings on certain days, and organizes branches into geographic areas to give customers the option of using a nearby location when their branch is closed.
