Meet Judy Moody and her little brother, Stink! They think it's just the first day of school, but they're about to find out about a new adventure...

Judy's first day of third grade is ... well ... how do you think she feels about it?

Welcome to Ocracoke Island! Will Judy and Stink's plans match up with what their parents want to do?

Let the pirate adventure begin! But pay close attention to the rules...

Alright, Judy and Stink have the first clue. Where will it lead them?

Well, the first clue was a little tough, but Judy and Stink aren't giving up yet!

Even the pirate's parrot has a clue for Judy and Stink! They're halfway there, but will they be able to figure out what the bird is trying to tell them?

They're looking far and wide for the fourth clue. Where will they go next to get closer to winning the game?

Judy is concentrating so hard, and Stink doesn't realize he has the answer to the clue ... for once!

Well, these clues have certainly taken the whole group into places they didn't plan on visiting...

They're trying to get the last clue, and apparently they need to add some begging to their list of strategies to win the game.

OK, Judy and Stink finally have the last clue, and now they've recruited their dad to help them think!

Hang on, they have to stop to eat? What does that mean for the treasure hunt? Keep watching and find out...

And the winner is ... wait a minute, we can't tell you that! You'll have to watch and see how it ends! :)
