Summary of GRIMMZ Fairy Tales

Jay and Will Grimmz, the hip-hop fable story dance-pop sensation, have come back home to the city where they grew up to give a concert. They're known not just for their sounds, but for their powerful storytelling, an inventive remix of familiar classics. The brothers put a modern spin on valuable life lessons in Snow White and the Seven Shawtities, Down with Rapunzel, Hanzel & Gretel: Lost in the Hood, and their featured first Granny-winning song, Break, Cinderella, Break!

Audience expectations

You may wish to have a discussion with your students about their role as an audience member. Live theatre only exists when an audience is present; their energy and responses directly affect the actors in performance.

Younger audiences should know watching live theatre isn't like watching more familiar forms of entertainment: there is no pause or rewind button, there are no commercials for bathroom breaks, and they can't turn up the volume if someone else is talking. Encourage your students to listen and watch the play intently so they may laugh and cheer for their favorite characters when it is appropriate. At the end of the play, your applause is an opportunity to thank the actors for their performance. Here are some other guidelines to remember as well:

• Respect other audience members. Stay seated and keep your hands to yourself.
• Please turn off all cell phones and other electronic devices during the performance.
• Photography and recording of the performance is prohibited by copyright law.
• We do not permit food and drinks in the theatre.

NCES-TheaArts.(K-5).TA.CU.2: Understand the traditions, roles, and conventions of theatre as an art form. NCES-TheaArts.3.TA.CU.2.1: Illustrate theatre etiquette appropriate to the performance situation.

The BIG QUESTIONS about the show

1. The stories told through hip-hop music in the show are based on classic fairytales. What is your favorite fairytale, and why?
2. If you could choose a fairytale to re-tell in today’s times what would it be? How would you change it to the year 2020?
3. Hip-hop music is used in this story, what other types of music could you use to tell these stories? Which is your favorite? How would that change the stories?
